EFMP Rights & Responsibilities

Report Changes in EFMP Status. The EFMP enrollee will immediately notify the EFMP Coordinator, Medical Treatment Facility, and/or school on any changes that affect the status of the EFM.

Re-enroll (if applicable). Enrollment update is mandatory every three years.

Contact the Installation EFMP Coordinator upon arrival. Initial contact must be made with the Installation EFMP Coordinator at ACS to assist in identifying resources and services available to EFMP enrollees at the installation.

Notify Installation EFMP Coordinator upon DEROS. EFMP enrollees will immediately notify the Installation EFMP Coordinator at ACS once they receive orders transferring them to a new installation or any other location. This allows for the opportunity to coordinate resources and services available at the gaining installation or location.

Privacy and Confidentiality. Each EFMP enrollee is afforded reasonable privacy in regard to the services they receive, the Family Member's special need, and the extend of the Family Member's disability. The EFMP enrollee records are kept confidential.

Medical Treatment. EFMP enrollees will be allowed access to medical care from the Medical Treatment Facility or referred to the appropriate medical Facility for service in accordance with the Family Member's special need.

Educational Services. Department of Defense Dependent Schools (DoDDS) if applicable will make reasonable accommodations for school age children identified as EFM. Those services may include but are not limited to school and classroom modification, Individual Educational Plans (IEP), special education services, and/or individual teaching methodologies. These services will coincide with the Public Law 105-17, Individual with Disabilities Educational Act (IDEA).

Housing. EFMP enrollees will have access to reasonable accommodations to their Family housing in support of the Exceptional Family Member. Those accommodations shall be in the form of renovations, access to the building and parking and anything else associated with quality of life for the EFMP enrollee. Off post requirements are looked at on a case-by-case basis due to the nature of contracts and leases with local laws, regulations and landlords.

Public Facilities. In accordance with PL 101-336, American with Disabilities Act of 1990, facilities that receive government funding will provide reasonable accommodations to individuals identified with disabilities.

Information. EFMP enrollees will be kept informed on issues that affect them and their status as EFMP enrollees.

Transfer and Continuity of Services. EFMP enrollees shall be afforded the opportunity to transfer and continue services upon their transition to any US military installation or other location to include all the services mentioned above.

Special Needs Ministry

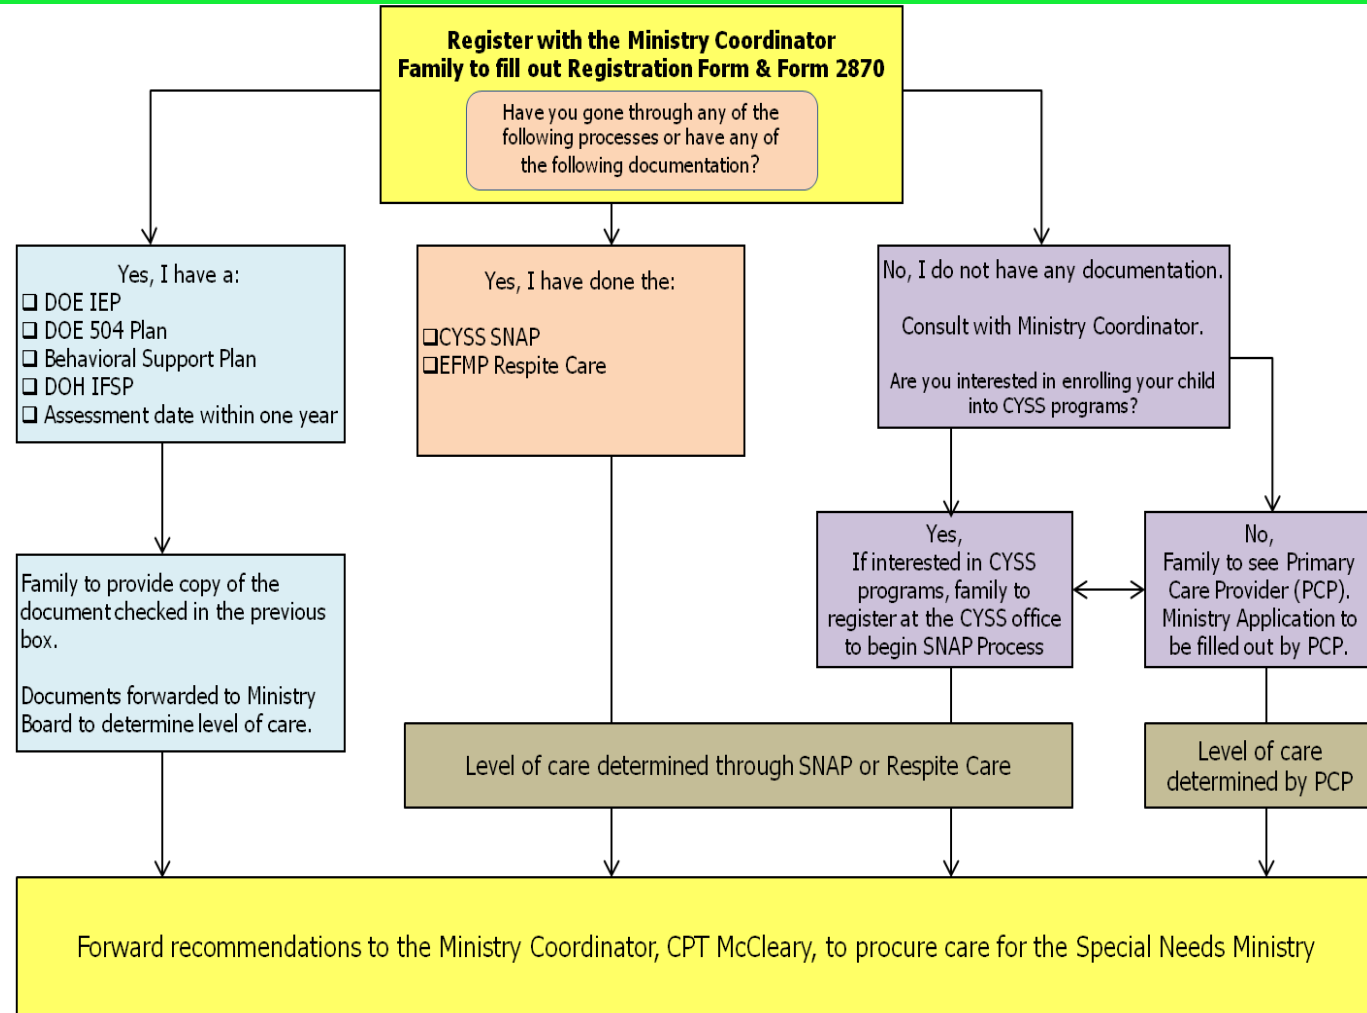

The Special Needs Ministry provides all families with Special Needs children the ability and access to attend the Main Post Chapel Worship Services! We invite you to be a part of this monumental ministry! This new ministry will provide Children's Church for children with Special Needs by having respite care and trained volunteers teach the children Bible lessons and stories that meet their learning needs.

How to get started?

- Contact CPT Jarrod McCleary (Contact Information on back) if you are an interested family or volunteer.
- Follow the flow chart provided to see where you are and what is needed to start.

What is the Special Needs Accommodation Process (SNAP)?

- A regulatory process to assess requirements to support children/youth with special needs who are interested in participating in any Child, Youth and School Services (CYSS) programs in conjunction with the Special Needs Ministry. The process can take around one month to complete.
